Don't think I can't see through you
You know I do
Don't think I can't read your mind
You know I do
Well I see through your eyes I see through your smile
And I hear you so clear
And you're calling
Well I'm here if you drown I won't let you down
And I'll take all your fear
When you're falling
And maybe this won't mean that much to you
But I love you
And maybe it's not all that much to hear
But I love you
You know I do

And oh, what a beautiful boy you are
What a beautiful boy you are

Don't think I can't love you more than you've ever known before
You know I can
Don't think I'll ever let you down
You know I won't
Are you willing to let me cos I'll give you gladly everything I have
If you want it
Well I'm not the type to give in to this hype
And love ain't my bag
And I've fought it
I've fought it for so long
So know that this is hard for me to say
But I love you
And maybe this is hard for you to hear
But I love you
You know I do

And what a beautiful boy you are

What a beautiful boy you are
What a beautiful boy you are
